On May 28, 2015, Palo Alto Networks, Inc. (the "Company") entered into three lease agreements with Santa Clara Campus Property Owner I LLC (the "Landlord") to lease office space (the "Leased Property") located on land bordered by Tannery Way, Lakeside Drive, Scott Boulevard and Garrett Drive in Santa Clara, CA (the "Project Site"). The Leased Property will consist of (i) an approximately 310,000 rentable square foot building and an approximately 30,000 rentable square foot amenities building to be constructed on the Project Site (the "First Lease"), (ii) an approximately 290,000 rentable square foot building to be constructed on the Project Site (the "Second Lease"), and (iii) approximately 121,953 rentable square feet of space in an existing building located at 3325 Scott Boulevard, Santa Clara, CA (the "Third Lease," and together with the First Lease and the Second Lease, the "Leases").

The term of the First Lease and Second Lease are each approximately 132 months commencing approximately nine (9) months following substantial completion of the core and shell of the buildings. Under the First Lease and Second Lease, base rent will be free of charge for the first year, and thereafter will be approximately \$3.02 per rentable square foot during the second year, with annual increases each year thereafter, as indicated in each respective lease. In addition, under the First Lease and Second Lease, the Landlord must construct the building cores and shells at the Landlord's cost and expense and provide the Company with a tenant improvement allowance in the amount of up to \$60.00 per rentable square foot of the premises for the construction of the initial improvements required by the Company. The First Lease and Second Lease contain a one-time option for the Company to lease an additional 300,000 rentable square foot building to be constructed by Landlord at Company's election at the Project Site.

The term of the Third Lease is approximately 60 months and is expected to commence on May 1, 2016, with a base monthly rent of approximately \$2.95 per rentable square foot during the first year with annual increases each year thereafter, as set forth in the Third Lease. The Third Lease is terminable by the Company during the first nine (9) months of the initial term of the First Lease and Second Lease and may be extended to be co-terminus with the First Lease and Second Lease.

The rights and obligations of the Company under the Leases are each conditioned upon the closing by the Landlord of an acquisition of certain real property located at 3535 Garret Drive on or prior to June 9, 2015.

The foregoing descriptions of the Leases do not purport to be complete and are subject to, and qualified in their entirety by, the full texts of the Leases which the Company expects to file with the Company's Annual Report on Form 10-K for the quarter and fiscal year ended July 31, 2015.
