EXPLANATORY NOTE

This Registration Statement on Form S-8 (the “**Registration Statement**”) is being filed by Palo Alto Networks, Inc. (the “**Registrant**”) with the Securities and Exchange Commission (the “**Commission**”) for the purpose of registering 6,000,000 shares (giving effect to the two-for-one stock split, as described below) of the Registrant’s common stock, par value \$0.0001 per share (the “**Common Stock**”), issuable pursuant to an increase to the number of shares of Common Stock available for future issuance under the Registrant’s 2021 Equity Incentive Plan, as amended (the “**Plan**”). At the Registrant’s 2024 annual meeting of shareholders held on December 10, 2024, the Registrant’s stockholders approved an amendment to the Plan to increase the number of shares of Common Stock reserved for issuance under the Plan by 3,000,000 shares (before giving effect to the stock split described in the following sentence) (the “**Reserve Amendment**”). On December 12, 2024, the Registrant effected a two-for-one stock split of its outstanding shares of Common Stock through an amendment to the Registrant’s Restated Certificate of Incorporation. Pursuant to the terms of the Plan, the number of shares available under the Plan (after giving effect to the Reserve Amendment) was adjusted to give effect to this stock split. Accordingly, the Reserve Amendment, after giving effect to this stock split, increases the number of shares of the Common Stock reserved for issuance under the Plan by 6,000,000 shares.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the General Corporation Law of the State of Delaware authorizes a corporation's board of directors to grant, and authorizes a court to award, indemnity to officers, directors and other corporate agents under certain circumstances.

As permitted by Section 102(b)(7) of the General Corporation Law of the State of Delaware, the Registrant's certificate of incorporation includes provisions that may eliminate the personal liability of its directors and officers for monetary damages resulting from breaches of their fiduciary duties as directors and officers to the fullest extent permitted by applicable law. In addition, the certificate of incorporation provides that the Registrant is required to indemnify, to the fullest extent permitted by applicable law, any director or officer of the Registrant who is or was a party or is threatened to be made a party to any proceeding (other than a proceeding by or in the right of the Registrant that has not been approved by the Registrant's board of directors) by reason of the fact that he or she is or was serving in such capacity or is or was serving at the request of the Registrant as a director, officer, employee or agent of another entity, against expenses, judgments and other amounts paid in settlement actually and reasonably incurred by such person.

In addition, as permitted by Section 145 of the General Corporation Law of the State of Delaware, the amended and restated certificate of incorporation and bylaws of the Registrant provide that:

- The Registrant is required to indemnify, to the fullest extent permitted by applicable law, any director or officer of the Registrant who was or is a party or is threatened to be made a party to any proceeding (other than a proceeding by or in the right of the Registrant) by reason of the fact that he or she is or was serving in such capacity or is or was serving at the request of the Registrant as a director, officer, employee or agent of another entity, against expenses, judgments and other amounts paid in settlement actually and reasonably incurred by such person if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Registrant, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful;
- The Registrant is required to indemnify, to the fullest extent permitted by applicable law, any person who was or is a party or is threatened to be made a party to any threatened, pending or completed proceeding by or in the right of the Registrant to procure a judgment in its favor by reason of the fact that such person is or was serving in such capacity or is or was serving at the request of the Registrant as a director, officer, employee or agent of another entity, against expenses actually and reasonably incurred by such person in connection with the defense or settlement of such proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of the Registrant, unless the court in which such proceeding is brought determines that such person is liable to the Registrant and does not determine that, despite such liability, such person is fairly and reasonably entitled to indemnification for such expenses;
- The Registrant is required to advance expenses, as incurred, to its directors and officers in connection with defending a proceeding, provided that such director or officer must undertake to repay such advances if it is ultimately determined that such person is not entitled to indemnification; and
- The rights conferred in the certificate of incorporation and bylaws are not exclusive, and the Registrant is authorized to enter into indemnification agreements with its directors and officers and to obtain insurance to indemnify such persons.

In addition, the Registrant's policy is to enter into separate indemnification agreements with each of its directors and officers that require the Registrant to indemnify its directors and officers, to the maximum extent permitted by applicable law, and also provide for certain procedural protections.

The indemnification obligations described above may be sufficiently broad to permit the indemnification of the Registrant's directors and officers for liabilities (including reimbursement for expenses incurred) arising under the Securities Act.

Not applicable.

Item 9. Undertakings.

A. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Filing Fee Tables" or "Calculation of Registration Fee" table, as applicable, in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, as amended, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Santa Clara, State of California, on December 18, 2024.
